Business Meetings of Selectmen

Every Monday, 7:45 P.M.

**WARRANT FOR THE ONE HUNDRED AND
SEVENTY-NINTH ANNUAL
TOWN MEETING**

THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the inhabitants of the Town of Northfield, in the
County of Merrimack in said state, qualified to vote
in town affairs:*

You are hereby notified to meet at the Northfield Town House in said Northfield, on Tuesday, the eighth day of March next at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation upon the following:

- A. Town Officers' Salaries
- B. Town Officers' Expenses
- C. Election and Registration Expenses
- D. Expenses of Town Hall
- E. Fire Department (out of precinct)
- F. Town Dump
- G. Vital Statistics
- H. Sewer Maintenance
- I. Town Roads and Bridges
 - 1. Summer Maintenance
 - 2. Winter Maintenance
 - 3. General Expenses of Highway
 - 4. Oiling
 - 5. Town Construction
(Zion Hill & Knowles Pond Roads)
- J. Library

- K. Old Age Assistance
- L. Town Welfare and Relief (including Soldiers' Aid)
- M. Memorial Day Expenses
- N. Care of Cemeteries
- O. Care of Beach, Northfield Pond
- P. Care of Trees (spraying)
- Q. Interest on Temporary Loans
- R. Social Security
- S. Street Signs

3. To see if the town will vote to raise and appropriate the sum of \$2,000.00 to the Tilton-Northfield District Nurse Association.

4. To see if the town will vote to raise and appropriate the sum of \$100.00 to the Franklin Hospital Association.

5. To see if the town will vote to raise and appropriate the sum of \$100.00 to the Laconia Hospital.

6. To see if the town will vote to raise and appropriate the sum of \$653.07 for town road aid. (The state will contribute \$4,353.80) .

7. To see if the town will vote to raise and appropriate the sum of \$25.00 to the Lakes Region Association. (By request) .

8. To see if the town will vote to raise and appropriate the sum of \$100.00 for the Park Cemetery. (By request) .

9. To see if the town will vote to make Arch Street and Vine Street both one-way streets, Arch Street to be one-way going North and Vine Street one-way going South. (By petition) .

10. To see if the town will vote to raise and appropriate the sum of \$200.00 for Blister Rust Control.

11. To see if the town will vote to raise and appropriate the sum of \$150.00 for Planning Board expenses.

12. To see if the town will accept the formation of the Police Department as proposed by the Selectmen and to raise and appropriate the sum of \$3,000.00 for the operation of same.

13. To see if the town will vote to raise and appropriate the sum of \$325.00 for Fire Patrol at the Dump through the summer months.

14. To see if the town will vote to raise and appropriate the sum of \$50.00 for Civil Defense purposes for the ensuing year.

15. To see if the town will vote to raise a sum not to exceed \$5,560.00 for a new heavy duty dump truck. One-half price of said truck to be appropriated in 1960, the remainder to be appropriated in 1961.

16. To see if the town will vote to raise and appropriate the sum of \$1,750.00 for the Tilton-Northfield Recreation Council. A similar article is included in the Tilton warrant.

17. To see if the town will vote to raise a sum not to exceed \$200.00 for the purchase of new chairs for the Northfield Town Hall. (By request) .

18. To see if the town will vote to apply the balance of the State Land Damage Award amounting to \$2,957.-69 toward the reduction of the 1960 Tax rate. (Recommended by the Budget Committee) .

19. To see if the town will vote to approve the enactment of an annual Contingency Fund and appropriate \$2,600.00 for same. Purpose of this Fund is to allow for the depreciation of Highway equipment and Town buildings. \$2,200.00 represents 10% of the highway equipment valuation and \$400.00 represents 2% of the valuation of Town owned buildings. (Recommended by the Budget Committee) .

20. To see if the town will allow the Selectmen to sell the 1946 International Dump Truck subject to sealed bids.

21. To see if the town will vote to authorize the Selectmen to appoint a Park Commission of at least three (3) members. (By request) .

22. To see what action the town will vote to take in regard to closing the Hidden Lane road, from the residence of Walter B. Hill, to the access road, extending from Hidden Lane to Hill St. (By request) .

23. To see if the town will vote to allow the Selectmen to borrow money in anticipation of taxes.

24. To see if the town will authorize the Selectmen to administer or dispose of any real estate that may be acquired through tax collector's deeds.

25. To see if the town will vote to accept the reports of the officers as printed.

26. To transact any other business that may legally come before said meeting.

The Polls shall be closed not earlier than six of the clock in the evening. The business meeting will be held at 7:30 of the clock in the evening.

Given under our hands and seals, at Northfield, this 8th day of February in the year of our Lord, nineteen hundred and sixty.

C. HAROLD CORLISS,
ROBERT R. BENNETT.

AUDITORS' CERTIFICATE

We have examined the accounts of the selectmen, town treasurer, tax collector, town clerk, road agent, and trustees of trust funds for the year ending December 31, 1959 and find them correctly posted and properly vouched.

JOHN D. ROBINSON,
RICHARD R. CAVENEY,
Auditors, Town of Northfield

REPORT OF NORTHFIELD PLANNING BOARD

The Town of Northfield Planning Board has held twenty meetings with an average of five members present.

After Mr. Corliss was elected to the board of Selectmen in March, Mr. Fred Rouse was appointed to fill this vacancy on the board. Mr. Corliss to continue as a member representing the selectmen.

Mrs. Hoxie was elected Chairman for remainder of year.

Mr. Boudreau requested permission to erect houses for sale on the Arch Hill project. The Planning Board made the following suggestions to the selectmen. To have the lots re-surveyed and to enlarge them, especially the frontage. These lots then to be offered to the public for a specified time. Any lots not sold to be opened to local contractors, with restrictions as to type of house, price, etc. to be approved by the Selectmen.

April 15, Mr. Carrigan, President of the Tilton and Northfield Chamber of Commerce gave a very informative talk on the Industrial Park which it is hoped will be located either in Northfield or Tilton.

June 23 the board went on record as being opposed to the merger of the State Planning and Developing Commission and the Recreational Department, and notified our Representative, Mr. Carll Burleigh of this decision.

August 25, Two members of the Tilton Park Commission met with us to discuss the Memorial Arch and what could be done to preserve and improve the grounds. A committee was appointed by the selectmen to investigate and get prices on repair to this land mark.

Mrs. Hill and Mr. Rouse attended the Planning Seminar in Concord sponsored by the State Planning Commission and the University of New Hampshire.

The Board voted to recommend to the selectmen that

money received from the State Highway Department for land damage to the ball park, be set aside in a special account and used in the future for recreational purposes in the Northfield Precinct.

We are sorry that we were unable to have a Zoning Ordinance ready for this Town Meeting. We have worked very hard and put a great deal of time drafting an Ordinance to fit the needs of Northfield. The Zoning Ordinance is partly drawn up and will be ready in the near future, at which time we plan to have public meetings and then a special town meeting to vote on the ordinance.

Respectfully submitted,

GENEVIEVE HOXIE, Chairman
FRED ROUSE
ROY JORDAN
MRS. ROLLIN WHEELER
WILLARD SOUTHWICK
HAROLD CORLISS
REMONA Hill, Clerk

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires — 5

Number of acres burned — $21\frac{1}{2}$

Number of permits issued — 95

THOS. J. KING,

District Fire Chief

GLENDON LOCKWOOD,

Forest Fire Warden

Treasurer

REPORT OF THE TILTON-NORTHFIELD RECREATION COUNCIL

You, the citizens of Tilton and Northfield, should be very proud of your recreation program. During the past few years, you have provided the youth of the community with opportunities to ski, skate, swim, enjoy Little League Baseball, and to participate in many other indoor and outdoor sports. The local merchants and organizations have responded to our needs by being very generous, both financially and in giving their time and support. With your continued assistance and cooperation, we shall strive to improve the facilities and the program of the recreation center to meet the needs of our growing youngsters.

As you know, a community program such as this depends, not only on the leadership of a competent director and the efforts of the Recreation Council, but also to a great extent on your support in your capacities as citizens and parents.

It is our main desire to provide our boys and girls with healthy indoor and outdoor sports and activities and to conduct orderly social events. We want to establish a recreation center, with the proper atmosphere and surroundings and good leadership, to which center parents will be proud to send their children, having in mind that an adult chaperone will be present at all functions to maintain order.

The following report is a summarization of the recreational program during the past year.

Swimming at Northfield Pond was a great success, with 2,500 swims made possible to boys and girls participating who were transported by school bus. A total of forty-eight trips were made to the pond between July 6th and August 28th. These facts alone indicate a strong need and desire for organized recreation in Tilton-Northfield. A swimming team was formed, the

members of which received emblems of merit. Besides that, the very capable instructors classified the swimmers into groups according to their progress, such as beginners, intermediates and advanced.

Little League Baseball was so successful that plans are being made to increase the number of teams for 1960. Appreciation and sincere thanks are hereby extended to the generous sponsors of Little League, who are Arwood Precision Casting Corp., Arthur S. Brown Mfg. Co., Rotary Club, and Stevens Mills. Without their vigorous support, most likely there would not have been any teams at all. A sports night climaxed the Little League Baseball season, to which parents were invited to attend. There were several very good speakers, and championship and team trophies were awarded. As you well know, Little League Baseball is a great character builder, which is so vitally needed for the future citizens of our country.

Tennis and archery were extremely popular with the young folks, as were the social dances at the Center.

The Northfield Grange and both the Recreation and the Junior Councils combined their efforts and finances to purchase a Nissen Trampoline. This new piece of equipment is a big attraction at the Center and is used by both boys and girls. Instructions will be given to those who are not familiar with using the Trampoline.

A new skiing program was set up during December that will consist of ten, possibly more, free bus trips to the Belknap Area. Each trip to date has averaged forty enthusiastic skiers of all ages. It was absolutely rewarding to see those boys and girls having such a grand time in the great outdoors. Each ski trip was chaperoned by adults, and special credit goes to Lewis Read, the bus driver, who was very helpful to the students during these trips. Free ski instructions were offered after school during the week at Wilson Hill by Frank Shepherd, a student at the high school.

The skating program got underway through the efforts of Richard Lavigne, Recreation Council President, Roy Jordan, fire chief of Tilton, and George Werner, the new Director of Recreation. Mr. Werner succeeds Mr. Roger LaPlante who left in early December for a full time position in recreation, directing the Franklin Recreation Center. We are very grateful to Mr. LaPlante for the fine work he has done in Tilton-Northfield.

Mr. George Werner is 25 years old. He attended Tufts University, Industrial Technical School of Boston, and night classes at Bryant College. He was an Eagle Scout, and is very interested in sports and young children.

We feel that, based on the records of 1959, and with Mr. Werner as director, a more expanded recreation program can be provided in 1960.

The members of the Recreation Council are: Donald Abbott, Mrs. Linda Allen, Robert Bennett, Jr., Albert Brooks, Charles Dwinel, Donald Farrington, Mrs. Alice Huckins, Richard Kennedy, Mrs. Jacqueline Lavigne, Richard Lavigne, Mrs. Norma Lamanuzzi, Mrs. Joyce Robinson, Richard Smart, Mrs. Alma Smith, Robert Selvin, Mrs. Etta Thibodeau and Mrs. Phyllis Yudickey.

REPORT OF THE HALL MEMORIAL LIBRARY ASSOCIATION TRUSTEES

Much has been done during the past year to encourage the use of the public library. At least twice as many new books were purchased as any year in the past three. The interior of the library has been entirely painted in an attractive light green.

The New Hampshire State Library has augmented the number of books we have been able to purchase by a long term loan of three hundred books covering a wide range on non-fiction reading.

The number of volumes on the "Memorial Shelf" is growing. Attention is called to this happy way of remembering loved ones by having a book purchased for this shelf in their memory.

A "Friends of the Library" society has been organized. Their interest will be to assist improving the use and services of our library. The officers are: President, Mrs. Rita Crawford; Vice-President, Mrs. Eleanor Nudd; Secretary, Mrs. Betty Herrick; and Treasurer, Paul Stinson, Jr. This organization has already made contributions toward the improvement of the library.

The Hall Memorial Library is open Monday, Wednesday and Saturday from 2 to 6 in the afternoon and from 7 to 9 in the evening.

ANNUAL REPORT OF THE DISTRICT NURSE

Fiscal Year January 1, 1959 to December 31, 1959

During this period the nurse cared for the following: 1260 noncommunicable, 61 office, 110 new baby, prenatal and postnatal calls. There were a total of 395 cases for the above calls.

Health and Welfare service: 300 adult, 146 infant and preschool and 40 baby office calls. A total of 404 cases for the above calls.

Thirty trips were made with patients during the year to clinics, hospitals, and doctors.

There were 123 new and 274 repeat cases admitted to the nursing service. Ninety-nine new and 239 repeat cases to the Health and Welfare service.

Toxoid Clinics were held in September, October, and November. Dr. Frank Robinson, and Dr. Archie Greivor were attending physicians. The R.N. assistants were Mrs. Lurline McCook, Mrs. Mona Hill, Mrs. Willa Downar, Mrs. Kathleen Hewitt, school nurse, and Mrs. Virginia Comstock, the state preschool nurse. Mrs. Marjorie Roberts did the clerical work. One hundred one Triple Toxoids and 31 vaccinations were given. The clinics were in cooperation with the State Board of health.

Many organizations were generous in contributing gifts for children at Christmas. These were wrapped and distributed by the school nurse and district nurse.

Christmas dinners or money were given by the various clubs and organizations to many families in the two towns.

The nurse is in the office at 183 Main Street from 8:30 to 9 a.m. Also 3 to 4 p.m. — and very often during the noon hour from Monday through Friday. Office Telephone is Atlas 6-4241 — Home number is Laconia Lakeside 4-0426.

Mrs. Lurline McCook, R.N., substituted for the nurse while she was having her summer vacation.

Once again it is an opportunity for me to acknowledge my sincere thanks and appreciation to the Doctors, Selectmen, District Nursing Board, and the American Legion for the use of their hall for the clinics, and last the townspeople for their friendly attitude, support, and cooperation shown at all times during the year.

Respectfully submitted,

ALICE FRENCH, R.N.

TILTON-NORTHFIELD FIRE DISTRICT WARRANT

To the Inhabitants of the Tilton-Northfield Fire District, qualified to vote in District Affairs:

You are hereby notified to meet in the Tilton Town Hall, Tuesday, March 15, 1960 at 7:30 o'clock in the afternoon, to act on the following subjects.

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Fireward for the ensuing year.
5. To choose an Auditor for the ensuing year.
6. To hear the reports of the Treasurer and Firewards, and pass any vote relating thereto.
7. To see what action the District will vote to take in regard to renewing the lighting contract, and raise money for same in the sum of \$7,523.19.
8. To see what action the District will vote to take in regard to renewing the water contract, and raise money for same in the sum of \$5,500.00.
9. To see what action the District will vote to take in regard to payment of Administration, Firemen, New Equipment and other incidental expenses in the sum of \$12,940.00.
10. To transact any other business that may legally come before the meeting.

H. HOWARD ALIEFF,
EDWARD A. BELL,
ROY L. JORDAN,
Firewards

THE STATE OF NEW HAMPSHIRE SCHOOL WARRANT

*To the Inhabitants of the School district in the town of
Tilton-Northfield qualified to vote in district affairs:*

You are hereby notified to meet at the Tilton-Northfield High School in said district on the ninth day of March 1960, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
- 3a. To chose a member of the School Board for the ensuing three years to fill the vacancy arising from the expiration of the term of office of Charles F. Dwinal.
- 3b. To choose a member of the School Board for the ensuing three years to fill the vacancy arising from the expiration of the term of office of Alexander G. MacGregor.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To chose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance be-

tween the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the school board to use any surplus available from the 1959-60 school budget for the purchase of equipment and materials under the National Defense Education Act for the improvement of science, mathematics and foreign languages, with the federal government to reimburse fifty per cent of the expenditure.

10. To see if the district will appropriate five thousand dollars (\$5,000.00) for purchase and installation of a new boiler at the Union School, and sixteen hundred dollars (\$1,600.00) for replacing the one thousand gallon oil tank with a six thousand six hundred eighty gallon tank at the Union School, with said appropriations to be added to the 1960-61 budget.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Tilton-Northfield this twenty-ninth day of January 1960.

Charles F. Dwinal, Chm.,
Dorothy B. Buswell,
Alexander G. MacGregor,
Dr. Archie Grevior,

REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

We studied the proposed budget for 1960-1961 with the purpose of maintaining the excellent school standards without terrific increases in the tax rate.

We spread the installation of modern lighting at the high school over a three-year period to even the tax burden. We have instituted a painting program over a three year period to retain building conditions. The new physical education lockers at the high school were purchased after being considered for several years.

It is regretted that an unexpected state aid decrease of ten thousand dollars caused an increase in local taxes.

The proposed increases in the next budget are for the most part teachers' salaries with a twelve thousand, five hundred dollar addition for increments under the salary schedule and an additional teacher for the high school. There is an automatic two thousand increase in the budget for social security taxes. The additional teacher is needed because thirty-five pupils graduate in June from the high school and eighty-five new pupils enter grade seven in September.

We have placed three thousand dollars in the budget chiefly for new science materials and equipment, some foreign language and mathematics materials, equipment and encyclopedias for elementary science, with fifteen hundred dollars to be reimbursed by the federal government as part of the national campaign to improve American education.

We have been pleased to work with the nine-person Cooperative Study Committee established by the last school district meeting and request that everyone study their excellent report with the purpose of formulating opinions on what is best to be done for the interests of Tilton-Northfield education in the coming years.

New desks and chairs have been purchased annually to replace the old outmoded equipment in the Union School, with one room being outfitted annually. We are replacing five typewriters a year in the commercial department. We have secured many items from the federal surplus property for the school shop. We have secured at low cost seventy two officer army coats for future use of the school band. We also gained an army surplus car from surplus property for driver training education. Several excellent band instruments were obtained in our efforts to develop a good school band and orchestra.

We have established new rules for the requirements for a high school diploma, and have voted to distinguish each diploma by the curriculum designation, such as college entrance, general, industrial arts, home economics, commerce, and agriculture.

Departmentalization of Grades 5 and 6 is being tried this year, with the purposes chiefly of improving all reading, having teachers instruct in subjects where they are most proficient, giving pupils the opportunity of advancing at their best educational speed, and preparing them for high school and college.

We wish to again congratulate the Journal-Transcript for its annual success in securing contributions enabling one Franklin and one Tilton-Northfield graduate to be awarded an excellent scholarship each year, and for its steady development of a permanent fund. We hope that such financial aid will result ultimately in all able pupils entering college, rather than the national loss that follows when many of our ablest pupils are barred by financial inability.

We wish to thank the Parent-Teacher Association for its sponsorship of the purchase of two television sets for the local schools, and thank all civic clubs, banks, organizations, and individuals which contributed to this new educational opportunity for elementary and secondary pupils.

The Tilton-Northfield schools have been unique in

the excellent Dental Clinic supported annually by the Tilton-Northfield Women's Club through its very successful Outgrown Shop, and the cooperation of our local dentists.

Our appreciation is extended to the many clubs, organizations and individuals who contributed to send Sandra LaDuke, a high school junior, to the National Convention of Future Homemakers of America, where she brought national recognition to Tilton-Northfield by her election at Chicago as Parliamentarian.

We take special pride that two Tilton-Northfield High pupils, John Currier and Marjorie Blake, won national scholarship honors last year, and that Judy Decato has won national honor this year in the most exacting competition. It is worthy of note that a very small number of public high schools won this unusual tribute to scholarship achievement in New Hampshire.

We express our thanks and sincere appreciation for the large number of gifts made by organizations and individuals for prizes, scholarships and special gifts for the schools.

We are requesting the district to approve the purchase of one hundred folding chairs for the high school auditorium. The old seats purchased in 1939 have been gradually reduced in number by continual use, and a gradual replacement program is needed.

We have been studying the necessity of removing the old costly outdoor rubbish and refuse burners with modern boiler room incinerator disposal units, both as a safety precaution for playground pupils, and removal of fire and health dangers to the school areas.

Our most important task is to develop policies for the schools which will continually improve the educational standards. Our work is to legislate for the schools and review results. We save by competitive bids to use every possible dollar for better education. We are specially studying now any possibilities to improve reading and correct any reading weaknesses when they

develop. We know that the reading improvement in the elementary grades must be continued by special reading in high school subjects.

The School Board is chosen by you to use your funds, your assistance, and your cooperation in solving the needs of our local youth. We will continue to welcome all constructive suggestions for the continued progress of Tilton-Northfield education.

Respectfully submitted,

Charles F. Dwinal, Chm.
Dorothy B. Buswell
Alexander G. MacGregor
Archie Grevior, M.D.
William M. Lawrence,

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

The Tilton-Northfield School Board accomplished the following during the past year to maintain its record of continual progress in improving the schools and general educational standards:

1. Received commendation from State Fire Marshal office for the outstanding favorable fire and safety conditions at Union and Sanborn Schools.
2. Increased teacher salaries by \$7000 and added one high school teacher because of increased enrollment.
3. Completed installation of new modern lights on third floor of high school.
4. Purchased and installed new physical education lockers for high school.
5. Painted three classrooms and all rest rooms at high school.
6. Replaced fifteen outmoded rest room toilets.
7. Extended plastic water line from high school to athletic field for playground drinking fountain.
8. Purchased thirty new desks and chairs for Union School.
9. Purchased five hundred dollars worth of modern library books for high school.
10. Sponsored the introduction of gymnastics for physical education.
11. Approved the legislative visit of junior and senior classes as guests of Tilton Representative Herbert

E. Howe and Northfield Representative Carll L. Burleigh.

12. Accepted gift of 48-cup coffee urn from Tilton-Northfield High Future Homemakers.
13. Approved visit of two distinguished West Germans, Dr. Herbert Reichel and Mr. Johannes Frankl, both sponsored by Mr. Alexander Standish of Canterbury, to the high school.
14. Installed exhaust fans in girls' and boys' physical education rooms.
15. Had 105 high school desks sanded and varnished.
16. Had all book cases, coat racks, and folding doors painted at Sanborn School.
17. All walls by sinks in Sanborn School painted.
18. All girls' and boys' rest rooms painted at Union.
19. Bookcases and wooden units painted at Union.
20. New drinking fountain installed for playground at Union.
21. Approved establishment of excellent summer school for local and summer residents under the direction of two teachers, Mr. Charles L. McGranaghan and Mr. Richard P. Truchon.
22. Operated another successful summer playground program, under the direction of Mr. Donald Gougen, Physical Education director, and two outstanding Keene Teachers College girls, Miss Barbara Wheaton and Miss Betty Bennett.
23. Approved the position of part-time secretary at Union School, for school lunch records and general clerical work.
24. Accepted two television sets from funds secured

by the local Parent-Teacher Association with contributions from local organizations, banks, civic clubs, and individuals.

25. Accepted gift of electric typewriter from Gale's Insurance Agency.
26. Sponsored another successful pre-school registration at Legion Hall.
27. Maintained successful second year of debating team.
28. Approved selection of Mrs. Lena McGuire, Home Economics teacher, as Advisor of Girls for National Future Homemakers meeting at Chicago.
29. Helped to sponsor trip of Junior Sandra LaDuke to National Convention, where she won unusual honor for New Hampshire and for Tilton-Northfield High by being elected National Parliamentarian.
30. Sponsored tree planting by pupils of birch trees at Union and Sanborn Schools as part of Arbor Day observance.
31. Sponsored Reading Workshop for teachers of five towns, under direction of Miss Esma Ford, Helping Teacher.
32. Approved experiment of departmentalization of Grades 5 and 6 at Union School with purpose of better reading, science, social science, arithmetic, language arts, and spelling.
33. Approved attendance of Mr. Thardix Pischek, Head Custodian of the high school and his assistant, Mr. Edward Florence, at Keene Teachers College Custodian Workshop.
34. Inaugurated a new music program in the Tilton-

Northfield Schools that should develop an orchestra, a band, and the best choral music in years.

35. Purchased a new commercial refrigerator for the lunch program.
36. Established pupil accident insurance program which took all routine work from teachers to gain more teaching time.
37. Adopted a new standard for high school graduation, with the Dr. Conant standards of seventeen required units for graduation for college entrance pupils, and pupils not completing requirements for a college or general course receiving a Certificate. This will improve our high school standards.
38. Worked with School District Cooperative Study Committee, which will present advantages and disadvantages of cooperative district to school voters.
39. Approved use of Traveling Science Library Program of 160 volumes in elementary Schools, under direction of the Helping Teacher.
40. Purchased five new typewriters for high school.
41. Tilton-Northfield High School was officially approved by the State Board of Education as a Comprehensive High School.
42. Supported another successful Open House for parental visits with two hundred sixty parents visiting the elementary schools and one hundred the high school.
43. Accepted the purchase at low cost of 72 army officer coats and two sousaphones for the future school band.
44. Secured an army surplus car for Driver Education.

45. Accepted donation of dental chair from Spaulding Youth Center.
46. Maintained a balanced school budget at the end of the fiscal year with surplus used for tax reduction.
47. Maintained a successful school lunch program with a favorable balance.
48. Inspected all schools to check safety repair needs and general physical conditions of buildings.
49. Continued to have bidding on school supplies, lunch canned goods, oil, and all general equipment purchases to maintain a good business system to save dollars for the taxpayers.
50. Participated with four other towns in joint purchase of pupil supplies, with a substantial savings.

Balanced Budget

The School District completed the 1958-1959 fiscal year with a balanced budget and a small surplus to reduce the tax rate. An expected state aid payment of \$12,838.19 actually became only \$2,040.08 with an increase in the tax rate.

State of New Hampshire Foundation Aid to School Districts

The following official state computation is inserted to show how districts qualify for state aid:

Elementary Average Daily Membership	630.1	
Elementary Membership x 202 Dollars per pupil		\$127,280.20
Secondary average daily membership	164.5	
Secondary Membership x 303 dollars per pupil		49,843.50
		<hr/>
Total Cost of Foundation Program		\$177,123.70

1958 Equalized Valuation	\$12,505,973.00	
Less 14 Dollar tax on equalized valuation		175,083.62
		<hr/>
Amount of 1959 Payment		\$2,040.08

The low state aid comes from a continually growing valuation of the two towns. It is apparent that, unless the state changes the formula and the legislature provides more funds, this school district soon faces no state aid except for the forty-five per cent building aid.

Resolution Unanimously Passed by School Board at
Meeting Dated September 14, 1959
Tilton-Northfield High School Diplomas and
Certificates

Diplomas

Effective with the 1960 graduation, all diplomas will specify the course completed, such as Agriculture, College Entrance, Commerce, General, Home Economics and Industrial Arts.

Effective on and after graduation of June 1961 pupils will be required to successfully complete the following requirements to receive a Diploma:

Diploma for College Entrance

Complete requirements for Program 1 or Program 2

1. Curricula for Program 1

Four years of English

Three years of Social Studies including two years of history

Four years of Mathematics
 Three years of Science
 Three years of one Foreign Language
 Four years of Physical Education

2. Curricula for Program 2

Four years of English
 Three years of Social Studies including two years of history
 Three years of Mathematics
 Two years of Science
 Three years of one Foreign Language
 Two years of a second Foreign Language
 Four years of Physical Education

General Diploma with Designation of Major or Majors

Four years of English
 Three years of Social Studies including two years of history
 One year of Mathematics
 One year of Science
 Three years of Commerce, Agriculture, Home Economics or Shop
 Four elective units
 Four years of Physical Education

Certificate

A certificate shall be awarded at the regular Graduation Exercises to a pupil who has attended four years, and completed successfully at least thirteen units required for a Diploma, and whose conduct and work habits have been excellent.

Pupils of good school work habits, character and conduct may, on an annual majority vote of the teaching staff, remain in school to complete the requirements of a Diploma.

Diplomas and Certificates Shall Be Awarded Only at Annual Graduation.

Parents or Guardians shall receive letters from the High School Principal at least twice in the senior or junior years, if Diploma Requirements Are Not Being Met, with the last letter in the Pupil Senior Year being received not later than May 1.

Insurance

Tilton-Northfield High School	\$300,000.00 on building and contents

Junas Ann Jurta	Dorothy Ann Young
Melvin Harold Sanders	

Tilton-Northfield
Achievement Test Record for Grade 6 — 1959 — the
present 7th grade in junior high

This test record is printed to show the outstanding educational record of the Sanborn and Union School teachers, whose efforts resulted in 73 per cent of the pupils being above the national average when they entered junior high school. This record was made when the teachers had to instruct all the pupils, while the high school loses many by dropout who either are unable or unwilling to profit by education.

It is believed that this record will compare favorably with any community in New England and that this excellent record is probably duplicated in all grades.

In summary, this test shows clearly that:

1. Graduates of the elementary schools in Tilton-Northfield are thoroughly prepared for high school.
2. Almost three-fourths of the pupils are above the national average.
3. Sixty-two pupils out of eighty-five tested were above their grade level, from one to four years.

Stanford Achievement Test Scores — 6th Grade — 1959

Date of Test — March 25, 1959

Class Average 7.0 National Average 6.7

Break Down of Reading Levels

5 pupils were able to read well above the
 10th grade level
 7 pupils were above 9th grade level
 11 pupils were above 8th grade level
 24 pupils were above 7th grade level
 15 pupils were above 6th grade level
 23 pupils tested below 6th grade level.

Summary

According to test scores 62 pupils out of 85 tested at or above 6th grade level.

Twenty-three pupils out of eighty-five tested below grade level. However, it should be mentioned that the

average Intelligence Quotient of this group was only 89. Some of the pupils had an intelligence quotient of 70 and slightly above. Many educators would classify this group as slow-learners who need special teaching techniques in order to become efficient readers. In general approximately 73% of the 6th grade tested above grade level. It should be noted that all the pupils attend school in Grade 6. Some of the pupils of low academic ability and mental ability drop out of school in Grades 8, 9 and 10.

Special Honors for Four Tilton-Northfield High Pupils

Four Tilton-Northfield High School pupils received honors this past year which brought prestige to the school and to the district.

Miss Sandra LaDuke, daughter of Mrs. Stella Kroy, was elected National Parliamentarian at the Chicago Annual Convention of the Future Homemakers of America for the year 1959-60.

Mr. John A. Currier, son of Mr. and Mrs. Alton C. Currier, 14 Summer Street, Northfield, and Miss Marjorie E. Blake, daughter of Mr. and Mrs. Vincent Blake, Lochmere, reached the finals of the National Merit Scholarship Tests and also reached the finals of the Student Qualification Test. They were in the top two percent of the State of New Hampshire. The only public high schools to receive this honor in New Hampshire were one from Milford High, one from New London High, one from Nashua High, and two from Tilton-Northfield. The other winners were from Exeter Academy and St. Paul's School.

Miss Judith A. Decato, daughter of Mr. and Mrs. Ernest J. Decato, 6 Linden Avenue, Tilton, received a Certificate of Merit in the 1960 National Merit Scholarship Test. She finished in the top three per cent for the State of New Hampshire.

Appreciation

I wish to express my appreciation to the members of our School Board, Selectmen, Cooperative Study Committee, principals, helping teacher, teachers, office workers, custodians, School Treasurer, bus operators, cafeteria workers, playground supervisors, the Parent-Teacher Association, the Garden Club, the Iona and Citizens National Bank, the local police, the fire department, the American Legion, all clubs and organizations furnishing gifts and scholarships, and all individuals for their cooperation and assistance during the year.

The people of Tilton-Northfield have always wanted the best schools for their children, and have ably supported their School Board in its steady efforts to improve our schools.

History has shown that education must continually advance with civilization. The education needed for high school graduates a generation ago was very limited in comparison with the needs of today of basic education plus the present-day developments of information on automation, atomic fission, electronics, guided missiles, atomic submarines, nuclear weapons, satellites, solar energy, sound barriers, jet airliners, automatic home appliances, color television, space travel, the present scientific revolution, the problems of population exploration, and the rise of nationalism in Africa and Asia. The struggle between Communism and Democracy has been acute since the close of World War II in 1945, and every American school must redouble its efforts to see that those leaving its doors by graduation or drop-outs must be dedicated to preserving American freedom and its democratic principles and preventing any extension of atheistic and militant Communism.

Cordially yours,

GORDON L. FOX,
Superintendent of Schools

January 25, 1960
